## FOR READERS

# Find easy-to-read in swedish

### Books

Easy-to-read books is a good way of learning Swedish. The library has many stories and factual books in easy-to-read swedish and you can get help to find books that you are interested in and at the level that suits you. Some books are available in both easy-to-read Swedish and another language. Many books are also available as audiobooks. Here are two companies that produce easy-to-read books for adults:

[www.ll-forlaget.se](http://www.ll-forlaget.se)

[www.nyponochviljaforlag.se](http://www.nyponochviljaforlag.se)

### News

**8 Sidor** is a newspaper in easy-to-read swedish. You can read 8 Sidor at the library. You can also read and listen to 8 Sidor on the web or by using the app.  
[www.8sidor.se](http://www.8sidor.se)

**Radio Sweden** is a news programme for people who have recently arrived in Sweden. A new programme with the most important news stories is available every day, Monday to Friday. You can listen from the website or from your mobile phone.
